## PRESIDENT'S MESSAGE ...

If the summer of 2009 goes down in history as the wettest, it will surely be known as the quickest – no lazy, hazy days. The "Home" has been a flurry of activities for residents, staff and the Auxiliary.

What's ahead? The Auxiliary's major new fundraiser! Join us for the best of the best - our first Family Fun Day & Apple Fest on September 13th - a fabulous day for our residents, for you and your families – music, games, crafts, food and special activities for all. Mark your calendar.

There is no doubt in my mind that the Auxiliary of Hebrew Health Care is *the finest* organization to be a part of. As my two-year term of office nears its end, I realize just what an incredible experience this has been.

The new signage hanging in the lobby reminds all who enter our building of the mission of Hebrew Health Care. **The mission of the Auxiliary is to enhance the quality of those whose lives are touched by HHC.** How quickly we are reminded even as we approach the building. The newly renovated brick walk makes a very bold statement of how much you all care. Two more examples are the Beauty/Barber Shop upgrades and the Auxiliary Office renovation soon to be completed. Watch as we continue to make statements all around the "Home."

On October 21st, the Auxiliary will once again transfer leadership. It is the responsibility of past and present leaders to find and train new leaders to carry on our traditions and meet new challenges. To Anja Rosenberg, incoming President, and her Officers and Board, I wish you all the very best and congratulate you on accepting the responsibilities of the Auxiliary. May you find personal satisfaction and growth along the way.

To our Auxiliary Coordinator, Brenda McVerry, my personal thanks for an incredible job! You are the one who keeps the Auxiliary moving in the right direction. Thank you! Thank you!
